Please choose your favorite flag by # and email to Anna Jenkins at ajenkins@yadtel.net.

We have done our best, in spite of breezy days, to get a good image for you to look at. Feel free to take a stroll down Main Street to see these up close and personal!

Remember: the last day to vote is July 30. The flags will be coming down a day or so after that!

**Those flags not represented here are not eligible--some from last year, some our Director made and she can't win the cash prize!
